

REMARKS

Pursuant to 37 C.F.R. §1.116, reconsideration of the instant application, as amended herewith, is respectfully requested. Entry of the amendment is requested.

Claims 112-124, 125-130 and 134-135 are presently pending before the Office.

Applicant has amended the claims. No new matter has been added. Support for the amendments can be found throughout the specification as originally filed. Applicant is not intending in any manner to narrow the scope of the originally filed claims.

The Examiner's Action mailed December 30, 2005 has been carefully studied by Applicant and the undersigned counsel. The amendments appearing herein and these explanatory remarks are believed to be fully responsive to the Action. Accordingly, this important patent application is believed to be in condition for allowance.

Relying on 35 U.S.C. §112, second paragraph, the Office has rejected the subject matter of claims 112-124, 126-130, 132-136 as being indefinite for failing to particularly point out and distinctly claim the subject matter which Applicant regards as the invention for the reasons stated in paragraph 4 of the office action. Applicant respectfully traverses the rejection and requests reconsideration.

Applicant herein amends claim 112 to delete the unnecessary language that seems to be causing confusion to the examiner. Accordingly, there are no further language issues with claim 112 and applicant respectfully request that claim 112 and its dependent claims now be allowed.

Relying on 35 U.S.C. §101, the Examiner has rejected the subject matter of claims 132, 133 and 136, alleging that she can not find support for the claimed combination in the specs. Applicant has canceled these claims thereby rendering the rejection moot. Withdrawal of the rejection is therefore respectfully requested.

CONCLUSION

A Notice of Allowance is earnestly solicited.

If the Office is not fully persuaded as to the merits of Applicant's position, or if an Examiner's Amendment would place the pending claims in condition for allowance, a telephone call to the undersigned at (727) 943-9300 would be appreciated.

Very respectfully,

Dated: 1/25/06
